## **Things you should leave at home:**

iPods/Mp3 players  
Electronic Games

**CELL PHONES**  
Money

Food/Snacks  
Clothing with negative messages

Please label all items that you would like to bring back home with you (i.e. lawn chair, sleeping bag, binder, cameras – especially the disposable kind, etc...). We do our best to connect our campers with items that they left behind but cannot guarantee all that is lost will be found. Thank you!

\* We hold a special event at one point in the week and it is fun to dress up a bit! We suggest apparel that is appropriate and comfortable (i.e. guys – nice shirt and shorts, girls – sundress/skirt/capris).
